## Perinatal Mental Health RESOURCE LIST

4th Edition

Welcome! We are PREGNANCY & POSTPARTUM SUPPORT MINNESOTA (PPSM) -- a group of mental health and perinatal practitioners and organizations offering treatment and support services to Minnesota families.

Our Mission: To engage parents and professionals in promoting optimal emotional well-being during pregnancy and postpartum years.

We hope these resources will assist through some of the most important and often challenging times in a new family's life. Please pass this booklet on to a friend, patient, or colleague who may have a need or interest in these services. Or, make copies available in your classroom, business, or waiting room. Thank you!

~Suzanne Swanson, PhD, LP & Krista Post, MA, LP
